“My mission is to design and renovate homes with quality, creativity, and transparency. I love the unique passion that I feel for design and enjoy sharing this with clients.”

Judy Mozen, Master Certified Remodeler, knows that it takes more than experience and attention to detail to give clients the home they desire. That's why she's able to enjoy a transparent relationship with her clients. Judy meets with clients regularly, handling their needs and concerns on a firsthand basis. Her work has been featured in national magazines and has won numerous awards for her excellent craftsmanship and design, including the 2016 Remodeler of the Year award from the Greater Atlanta Homebuilders Association.

A dynamic figure in the remodeling industry for over 40 years, Judy has served as the President and Chair of the Board for the National Association of the Remodeling Industry. In presenting the President's award to Judy, David Pekel, NARI CEO, said, "No one demands more from Judy than she does of herself and she expects the same from you, without excuses." Judy graduated from Agnes Scott College and was recently honored as the Outstanding Alumna for Distinguished Career. Judy is an active member of Leadership Atlanta. She enjoys speaking to national and local groups, emphasizing the importance of diversity and inclusion in the construction industry. She lives in Roswell with her husband and business partner, Randy Urquhart, and their Shih Tzu, Sundance.
